Hi everyone,

There are currently two indicted cases pending against this lovely gentleman, and one of them involves 5 or 6 separate transactions (which resulted in 5 or 6 separate submissions to the lab, etc.), which is why all of you are going to have to be summonsed (unless he stipulates, which I'm working on). Here are the cert numbers: [REDACTED]

At this point, the new lawyer has filed all of his motions, and I've recently learned from the clerk in the session that she wants us to pick trial dates tomorrow afternoon at 2pm. I was wondering if I could ask all of you to let me know if you have any bad dates (vacations planned, etc.) for August or September – I don't know how flexible the court is going to be with scheduling, but I will try to avoid conflicts wherever I can.

Thanks, and please let me know if you have any questions/concerns.
Thank you!
Elissa

Subject: [REDACTED] trial

Hello all -

The trials of Commonwealth v. [REDACTED] for which you've received notifications for 4/25 in Woburn Superior Court are being moved. His defense attorney is going to file a few motions, and those will likely be heard that week or soon thereafter, but the trials will not be able to start on the 25th. I won't know the next date until 4/21, but I will send out new summonses as soon as I get the new date. (On that note, if you are aware of vacations over the next couple of months, or other major conflicts that we won't be able to work around, and you would like to send me those dates, I can try to avoid them...)

I will be in touch again after the 21st with a new date.

Thank you!

Elissa
